A successful Harvest Festival

Report: Joe Evans & Shaina Paggett

On Friday morning, we held our harvest festival. As usual, each class came into the hall with their harvest gifts and then we did our performance.

Key Stage One boys and girls performed 'The Enormous Turnip' story for us and sang some songs.

Then the choir performed two songs with Mrs Porrett - they were really good.

Next it was the turn of Key Stage Two pupils and Mrs Bagnall's class started us off with a song that her class had written with her which was funny.

Miss Baillie's class performed a musical piece using guitars and other

instruments.

Mr Heath's class showed us some of their artwork based on paintings by Cezanne and Matisse.

To finish off, the Year Six class told us about a Tudor harvest and what rich and poor people would have eaten. We finished off with a song called Harvest Samba which everyone seemed to like.

New Basketball Club in school

Report: Corey Hill & Lewis Hurdley

Miss Simpson is running a Basketball Club on a Friday after school, for Year 5 and Year 6 children. We are doing all the skills at the moment and it is quite difficult because you have to throw the ball hard and it is a very quick game.

When we have learnt the skills Miss Simpson is hoping that we can form a team and play against other schools—if we can find any locally that do Basketball.

We are finding it different from the other sports we have done as you have to be quick on your feet but we are really enjoying it.

The Club is running from 3.15-4.15p.m. on a Friday and we have got special balls and new basketball hoops to play with.

Many thanks to Miss Simpson who has started this new club which is another one to add to our varied club schedule!

Don't forget that it's Parents' Evening tonight and tomorrow

The term is whizzing by and it's already time for our first Parents' Evening of the new school year.

You should have received a letter and sent in a reply slip requesting

a meeting with your child's teacher.

Don't forget that, for security reasons, you'll need to come into and leave the school by the main entrance. In the hall, you'll find your

child's work tray. Have a look at their work for the term so far before going to wait outside classrooms for your appointment slot. I hope that everyone will keep to their times!

Clubs

Please note that there will be NO Multisport, Young Engineers or Netball Clubs this Tuesday because we have Parents Evening

Are there one or two volunteers for Key Stage Two Cookery Club on Mondays after half term? We really need some extra help if the club is going to run successfully. Pupils love it so please help if you can.

Quiz night

On Friday October 17th a quiz is being held at the Broseley Social Club
