Pupils supporting Victorian chapel renovation

Report: Ryan Brough and Kelsey Firmstone

Last Thursday, a group of Year Five pupils went up to the cemetery to take part in some filming for a special television programme which is going to be on this week.

We were looking at the old chapel which is in the cemetery. It was built in Victorian times

and has lots of tiles that were made at Jackfield by the Maws Tile company.

We took clipboards and were filmed sketching the chapel. We were showing how we could use the chapel in our learning.

On Thursday, ITV Central News at 6 p.m. will be

having a phone in competition. Broseley is up against one other restoration project. The winners will receive substantial funds to restore the Victorian chapel in the cemetery. For the school, the chapel is within easy walking distance and could be used to show pupils some of the fantastic tile work made locally by Maws.

A special guest in school

Report: Jake Molyneux & Bethany Kelly

On Friday, Mrs Bagshaw's class had a special visitor.

This term we have been learning about animals in our science work. We wanted to look at what makes animals different and the same. So Mrs Bagshaw had arranged for us to have an animal in our class on Friday afternoon.

We were very excited and trying to guess what sort of an animal it was going to be. Mr Pygott thought it might be an elephant that we said that would be too big.

Mrs Bagnall came in with a basket and inside it was one of her chickens. The chicken's name was 'Girley'. We touched the chicken's feathers and they

were very soft. The chicken lives in a big pen with other chickens. We saw some of the eggs that the chickens had laid.

Having jumped through all the health and safety hurdles, in the spring we hope to have our own chickens in school. If you would like to help with them, please let us know.

Choir sing at the Broseley Lights switch-on

On Saturday evening, the school choir sang a selection of songs which they have been practicing with Mrs Porrett, who comes in every Wednesday and teaches keyboards, as well as leading the choir.

Can we apologise to parents that it was all a bit chaotic - as the Lights Ceremony gets bigger every year, it is more difficult to arrange the choir so they can be seen and heard clearly and we may

not be involved again next year.

The pupils, however, sang really well in difficult circumstances and we would like to thank them, as well as Mrs Porrett for their hard work.

Clubs news

Tag Rugby Club will run on **Thursday** this week and not Wednesday.

Barnardos' boxes

On Friday, Marjorie Tibbetts from Barnardos visited to thank us for raising £280. Well done to all those pupils who took Barnardos cottage boxes home and thank you to those who supported their charity collection.

School website

Have a look at the new 'virtual tour' on the school website.

Escorted Walk from Cockshutt Lane car park

Now that we have our escorted walk up and running, can we confirm who will be escorting pupils on which days:

Mon: Jo Paggett

Tues: Steph Hark

Wednes: Vanessa Northall

Thurs: Trish Wilson

Friday: Sarah Corbett

Thank you very much to these people for giving up their time to help with this new service.

Cycle awareness training in school

Pupils in Years 5&6 are being offered the opportunity to undertake cycle awareness training in school. We are really pleased with the response and discourse is now full. We will, we hope, be able to organise further courses so all pupils will have this opportunity before they leave primary school.

New parent governors
Congratulations to Alison Edwards and Julie Cooper who have become our two new parent governors.
