

## Broseley Bulletin

Issue 164 27th April 2009

### Club news

Don't forget that because of the difficulty finding time-slots for clubs, Cross-country running will now run on Thursday lunchtimes. Pupils will need to bring a packed lunch which they will eat *after* running.

### Year Two pupils visit the Haycop

Report by: Ben Rowbrey & Charlotte Harrison

Every two weeks, Mrs Wilding's class are going to visit the Haycop. We are going there to look for signs of spring.

Last week when we went down we split into two groups. The boys and girls with Mrs Harrison went for a walk round the Haycop and we spotted different

kinds of creatures and flowers, trying to find as many as we could from the sheets we had.

The other group stayed with Mrs Wilding and they built birds nests using the same sort of things that a bird would use. We could only use one hand to build our nests which showed us just how clever birds are to be able to do it with

one beak.

Then we swapped and the other group did the same activity.

We are really looking forward to going down to the Haycop to see more changes over spring. We will be really good at spotting the differences each time we go.

For the first half of term, I would like to restrict Cricket Club to those pupils who are already practising for forthcoming competitions. It is very hard to umpire practice matches and coach at the same time so I will invite new members after the half term holiday. Apologies not to have made that clear last week in the newsletter.

If your child wants to join a new club, they will need a **consent form**, which is available from the school office or in class.

### Eggs hatching today!

Report by: Hannah Evans & Charlotte Corbett

In Mrs Bagnall's class, we have an incubator with 20 eggs in it. They have started hatching today.

This morning, just as we were finishing our spellings, Mrs Bagnall called us over

to see the first chick breaking out of it's shell. We could hear it cheeping inside.

We watched until the chick had come right out of its shell and then it had a rest - it looked very tired.

There are more chicks

ready to hatch and they are starting to make small holes in their shells.

During our assembly this morning, Mr Pygott showed the whole school the film of our first chick hatching.

It is exciting!

### PTA Meeting

At the PTA meeting last Monday, members discussed plans for discos, the clown show, the summer fair and plans for a promise auction in the autumn term. More details to follow!

### Dinner money cheques

Can cheques now be made payable to:

### Shropshire Council

### Dog fouling

We are having a lots of complaints at the moment about the state of the pavements around school. Can I remind all parents and carers that if they know which owners are letting dogs foul on the pavement they can report names to the school and these will be passed on to the community support officer, who has recently taken on new powers to be able to fine the owners for their anti-social behaviour.

---

### Table Tennis Club

As we mentioned at the end of last term, Key Stage Two pupils have been having table tennis tuition with John O'Keeffe, who is the table tennis development officer for the Bridgnorth area. We would like to

run a club and benefit from John's expert and very enjoyable tuition. The only time slot that he has available is a very Thursday evening between 5 and 6 p.m.

Sessions will take place in the school hall for pupils

in Key Stage Two. The cost of each session will be £2.00. If you would like your child to take part, please return the slip on the back of the newsletter by Wednesday at the latest so we have an idea of numbers.
