## PTA Meeting / Clown Show / Summer Fair

There will be a PTA meeting at 7pm on Wednesday to make arrangements for the Clown Show - come along if you can to find out how you can help. Also up for discussion are arrangements for this year's Summer Fair. Can we ask you to have a look for items suitable for the tombola or raffle prizes.

On Friday 12th June the school will be having a clown show. This is the third year running that we have held this event and it has previously been very popular. The show will be held at 7 p.m. There will be refreshments on sale.

Children will need to be supervised by an adult.

Tickets will be priced at £2.50 for children and adults.

Please return the slip below if you would like to buy tickets for the show.

## Year Six film-making project

Report by: Liam Carrington & Siena Gibbs

This term, one of our main learning focuses is on filmmaking. We are learning how to take different camera shots, how to work the camcorder and how to edit

our footage.

The first stage of our project has been to plan and write the script for our film, working in groups of four or five.

We have been discussing different genres of film

such as action, horror, thriller and comedy. We have had to decide what sort of film we want to make. So far, we have done some rehearsals for our filming and next we will bring in our costumes and props.

## MUGA update

Several parents have asked about the progress of the project to build a multi-use games area on part of the school field so here's a brief update.

Outline planning permis-

sion has been granted for the MUGA and funding will be matched by the Football Foundation. However, the Football Foundation can not provide any funding until January 2010 and so it seems likely that the pro-

ject will go ahead during the summer holiday in 2010.

Fingers crossed that there aren't too many hitches or delays - it will be a fantastic addition for both the school and the wider community.
