Year Five take their education message to other pupils

Report by: Bethan Milkins & Lewis Holyday

Did you know that there are 75 million children in the world who have had no education?

Our class has been involved in a special project on this theme. Our job was to tell other boys and girls about this issue and to ask them to tell other people about it.

On Thursday before half

term, Year Five performed a special assembly. We were helped by George Fiawoo, who is a musician from Ghana. George helped to make our assembly really lively and fun with songs, dance and drumming. We performed assembly to all of the other pupils at our school, as well as boys and girls from Barrow school who had come down specially to watch.

In the afternoon, we walked to John Wilkinson school where we performed our assembly for a second time.

We really enjoyed working with George and hope that everyone enjoyed assembly and will remember our message.

The Year Five class did a fantastic job and we were very proud of the way all our pupils participated.

New Home / School Agreement

You should have received a letter before half term letting you know about the parent / teacher consultations in the next few weeks. It is a really important meeting and we hope that you will be able to make an appointment to discuss your child's progress with their

class teacher.

At the meetings, we would like to ask you to sign a new home / school agreement. Because our relationships with parents are generally very strong, we haven't seen the need for a formal home / school agreement. How-

ever, we are told it is now a legal requirement and so we would like to ask you to sign a copy when you come in for parent / teacher meetings.

We've put a copy of the agreement on the back of the newsletter for you to look at before you sign.

Dance Festival at William Brookes

Report by: Katie Davis & Courtney Childs

Since Christmas, the Modern Dance club run by Laura has been practicing a routine to perform at the Dance Festival which is held at Wil-

liam Brookes school.

This year, our routine was a rock and roll dance using the music from Rocking Robin.

We have been practicing really hard and were

looking forward to performing.

On the night we were a bit nervous but it went really well and everyone said that they had really enjoyed watching it.
